WO90 Narrow Bottom

# Wedges for Impact Excel Meat, Dairy, Deli, Produce and Convertible Wall Models

**HUSSMANN®**  
Impact Excel

WO = Outside Wedge    WI = Inside Wedge    30, 45, 90 = Degree of Wedge Angle

Excel wedges allow you to link angle case runs in creative ways to optimize merchandising effectiveness and direct traffic flow within the store.

Wedges are available for all Impact Excel medium temperature wall models. They are offered in 30°, 45°, and 90° inside and outside configurations.

Excel refrigerated wedges include features, accessories and performance similar to parent cases. Options include lighting selections, bumper selections, solid and wire shelving choices, mirrors and many others.

Please use Hussmann's technical data sheets to get precise dimensions for all store layout purposes.

**Note:** These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% RH.

We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or shipped.
