

HUSSMANN®

B3XC-LEP, B3XC-LGEP

IMPACT EXCEL

Bulk Convertible Merchandiser for Higher Volume Display of Products Such as Cheeses, Deli, Prepared Foods, Grab and Go Items, Prepackaged and Cut Produce

High Volume "Bulk" Convertible Merchandiser

HUSSMANN®
Impact Excel

B3XC-LEP Bulk Convertible, Multi-Deck, Extended Depth, Low front
B3XC-LGEP Bulk Convertible, Multi-Deck, Extended Depth, Low Front With Glass

Available in 4' 6', 8' & 12' lengths.

Extended Depth for Bulk Applications

The B3XC is 4" deeper (front to back) than our standard Excel multi-deck fixtures. This allows higher volume display of deli items, grab and go foods, cheese, packaged produce and more. The case is a medium height (59 7/8" tall) for easy shopping in higher volume departments. Interior merchandising space is 34 1/8" deep (front to back at lower deck) by 37 1/8" tall. Glass front is standard on B3XC-LGEP model.

Superior Shelf Life

Modular coils and off-time defrost work to reduce thermal shock and stabilize product temperatures, resulting in better freshness and longer shelf life.

Lower Labor Costs

Labor saving features include greater clearance under the case, easy-to-clean bathtub bottom with no coil in the bottom of the case, adjustable feet, easier raceway access, 2' honeycomb sections and more.

Superior Reliability

Our 5 year modular coil warranty is the best available. Pre-set expansion valves are designed to hold optimal temperatures throughout the life of the case.

Note: These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% RH.

Note: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or shipped.
